Happiness is Girls Athletics

The girls basketball team of 1975 took first place honors this year at the District Tournaments held in Williston. This was the first time Grenora has ever won the first place title for girls basketball. They had a very good season with 15 wins and 2 loses. They had new uniforms for the season which were gold with maroon and white trim. They earned money during the year for new warm-up jackets which are white with maroon stripes and gold lettering. They will be worn for next years season. With all but one returning lettergirl. They are looking forward to a good season next year too.

Grenora Wins District Again!!

The Grenora Gophers won the District Tournament to make it two years in a row that the Gophers came through as the Champs. In winning the Tournament the Gophers defeated Watford City, who was ranked No. 2 in the State and the favored team.

The Gophers showed good balance and team work in the Tourney, which helped them win it:

Senior Class Presents

Cheaper by the Dozen

On April 29 the seniors put on the play CHEAPER BY THE DOZEN. This is the true story of the Gilbreth family which consists of Mother and Dad Gilbreth and their 12 children. Dad is a terrific efficiency expert, and it's his firm conviction that what works in the factory will work at home! He puts up charts for the children to initial after completing household tasks, uses a rug as an imaginary bathtub to demonstrate how to take a really efficient bath and appoints utilities officers to levy fines on wasters of water and electricity. While this provided uproarious humor there was an imperitive reason. Dad has a heart condition which he's keeping secret. He knows he's on borrowed time and that's why he's doing his best to make his family efficient.

You Make Me Feel Brand New

The Junior-Senior Banquet was held May 7, Prom was held May 9. The theme of the Prom was YOU MAKE ME FEEL BRAND NEW. The colors were blue, pink, and silver. Music was by National Ledd.

We would like to thank everyone who helped us put this annual together. A special thank you to Keith Enget for the pictures he came up special to take for us and all the other pictures he took which he allowed us to use in this book, the Williston Plains Reporter for all their pictures they allowed us to use in this book, and to everyone who made this book possible by sponsering it. Thank you again.

Memories light the corners of my mind, misty water color memories of the way we were. (Scattered) Pictures of the smiles we left behind, Smiles we gave to one another for the way we were.

Can it be that it was all so simple then, or has time rewritten every line?

If we had the chance to do it all again, tell me would we?

Could we?

Memories may be beautiful, and yet, What's too painful to remember, we simply choose to forget. So, it's the laughter we will remember, whenever we remember the way we were.
